Money left over

What do you do with the money you receive as gifts, earn by helping at home, or get on special occasions?

Discover how much money you have, what you spend it on, and how much you can save toward the goals you want to achieve.

If you have money left over, you can reach your savings goals even faster. Great job!

Did you spend more than you received? Do not worry. Review your plan and think about adjustments you can make next month.

Remember: Every big goal starts with small steps. Saving begins little by little. With a simple plan, you can see how your money helps you achieve your goals.
