You acknowledge and agree that our responsibility is limited to initiating a transfer pursuant to the method that you select (or, with respect to Recipient-Directed Transfers, as defined below, the manner selected by the Recipient). You further acknowledge and agree that the Recipient's receipt of the Transfer Amount, and speed with which the Transfer Amount is credited to the Recipient's account, are dependent upon factors beyond our control, including the policies and procedures of the recipient's financial institution. We shall have no liability to you or any third party in the event that a Transfer is not completed unless directly attributable to our breach of our obligations pursuant to this

User Agreement. We make no representation or warranty to you regarding how quickly the Transfer Amount will be credited to the Recipient's account.

Transfers can be initiated 24 hours a day, 7 days a week. All Transfers other than Recipient-Directed Transfers are debited from your Funding Account on a same-day basis, regardless of when initiated. Recipient-Directed Transfers are debited from your Funding Account when claimed by the Recipient. Transfers other than Recipient-Directed Transfers that are initiated after 9:00 pm CST or on non-processing days (such as weekends or Federal bank holidays) will be debited from your applicable Account on a same-day basis, but transmission of the Transfer to the Recipient will not be initiated until the next processing day.

Payment Methods. You may select one of the following three options when you elect to send funds through Popular People Pay: (i) transfer to the Recipient's bank account ("Transfer to Bank Account"); (ii) transfer to the Recipient's PayPal account ("Send to PayPal Account"); and (iii) you may request that the service send an email or text message to the Recipient, which enables the Recipient to select his/her preferred payment method from the options (i) and (ii) above ("Recipient-Directed Transfer").

Transfer to Bank Account. If you select the "Transfer to Bank Account" option, you irrevocably authorize us to immediately debit your Funding Account in the amount of the requested transfer (the "Transfer Amount") and to initiate, on your behalf, an ACH transfer in the Transfer Amount to the Recipient's account. The Required Contact Information for a Transfer to Bank Account is the routing number, account number, and account type for the Recipient's bank account.

Send to PayPal Account. If you select the "Send to PayPal Account" option, you irrevocably authorize us to immediately debit your Funding Account in the Transfer Amount and to transmit a message to PayPal instructing PayPal to contact the Recipient using the Required Contact Information that you provide. The Recipient will receive a message from PayPal instructing the Recipient to log into his/her PayPal account to accept the funds. If the Recipient does not have a PayPal account, the Recipient will receive a message from PayPal instructing the Recipient regarding how to establish a PayPal account. The Transfer will expire if the Recipient does not log into his/her PayPal account (and, if necessary, establish a PayPal account) within thirty (30) days. If the Transfer expires, the Transfer Amount will be credited back to your Funding Account. The Required Contact Information for Send to PayPal Account is the Recipient's email address used on the PayPal Account. Recipient-Directed Transfer. The Recipient will receive an email or text message with instructions for how to claim the payment. The Recipient may elect whether to receive the payment by ACH transfer, or PayPal account transfer and the Recipient will be required to provide the necessary information to allow us to complete the transaction. The payment will not be debited from your Funding Account until the payment is claimed by the Recipient. The Transfer will expire if it remains unclaimed for ten (10) days. You must provide the following Required Contact Information to initiate a Recipient-Directed Transfer: (i) Recipient name and (ii) Recipient mobile phone number or Recipient email address. You will not be provided with access to the account information provided by the Recipient.

- *Payment Limits.* The following limitations apply to Transfers that you send using Popular People Pay:

Transfer to Bank Account. \$1,000 per transaction/\$1,000 daily

Send to PayPal Account. \$1,000 per transaction/\$1,000 daily

Recipient-Directed Transfer. \$1,000 per transaction/\$1,000 daily
You may only send a maximum of \$1,000 a day in Transfers across all payment types.

- *Insufficient Funds.* You are responsible for ensuring that your applicable Account contains sufficient funds to fund a requested Transfer. You acknowledge and agree that, in the event that you request a Transfer and there are insufficient funds in your Funding Account to fund such Transfer (an "NSF Transfer") we may, without prior notice to you: (i) decline to process the NSF Transfer, (ii) process the NSF Transfer and create an overdraft to your applicable Account, or (iii) process the NSF Transfer in accordance with the terms of any overdraft protection plan in place between you and us. If, in our sole discretion, we process an NSF Transfer, you hereby authorize us to deduct the amount of such payment from your applicable Account (or any other account you have with us) at any future time. You also authorize us to deduct any applicable non-sufficient funds and overdraft charges that may apply and any fees we incur in attempting to collect the Transfer Amount from you. You authorize us to provide information to any credit reporting agency regarding any NSF Transfer.
- *Availability of Funds.* You agree that the payments processed through the Popular People Pay service are subject to Reg CC and Popular's Funds Availability Policy Disclosure.
- *Receiving Funds.* Other Popular customers that have enrolled in Popular People Pay, as well as customers of other financial institutions that participate in certain compatible payment services, can transfer funds to you as described in this section (any such customer, a "Sender"). The financial institution (whether Popular or another financial institution) that the Sender uses to send funds to you is described in this section as the "Sending Financial Institution." You are required to validate an email address or mobile number in order to receive funds in Popular People Pay. Funds may be transferred to you by any of the following methods:
- *Transfer to Bank Account.* A Sender may transfer funds directly to your applicable Account(s). The Sender must provide your routing number and account number to the Sending Financial Institution in order to transfer funds to your applicable Account(s). Funds will be made available to you in accordance with our standard funds availability policy for incoming electronic transfers.
- *Send to PayPal Account.* A Sender may transfer funds to your PayPal account. The Sender must provide your email address to the Sending Financial Institution in order to transfer funds to your PayPal account. If you have a PayPal account, you will receive an email from PayPal advising you that funds have been transferred to your applicable Account. If you do not have a PayPal account, you will receive an email from PayPal providing instructions regarding how to establish a PayPal account. If you do not establish a PayPal account within thirty (30) days of receiving the email from PayPal the transfer will expire and the funds will be returned to the Sending Financial Institution. If you have any questions about a transfer that you have received, you may call us at 1-800-377-0800, contact us electronically by sending a message through Popular's electronic message center made available in Popular Online Banking, or write to us at Popular, P.O. Box 4906, Miami Lakes, FL 33014.

- *Recipient-Directed Transfer.* If the Sender elects to allow you to indicate how you wish to receive funds, you will receive an email or text message with a claim code notifying you of the transfer. You will be directed to a website to claim your transfer. At the website, you will be prompted to enter the email address or mobile phone number used to provide the notification, and the claim code contained within the notification. You will then be presented with options for claiming your transfer. The Sender must provide your email or mobile number in order for the claim code to be transmitted to you.

f. Mobile Cash ATM Withdrawal at Popular ATMs Using a Mobile Device. These terms govern cash withdrawals at designated Popular ATMs using an applicable mobile device ("Mobile Cash ATM Withdrawal"). Mobile Cash ATM Withdrawal permits you to withdraw cash from certain Popular ATMs (as determined and specified by us from time to time) through the Popular retail banking application (Popular Mobile app) and using a compatible mobile device that is enabled to effectuate such Mobile Cash ATM Withdrawal. If you have an active, eligible Popular MasterCard debit card with a checking account with only one active debit card, and have also properly downloaded, installed and activated the Popular retail banking application on your applicable mobile device, Mobile Cash ATM Withdrawal will be enabled and may be used to withdraw funds only at designated Popular ATMs, as specified by us from time to time. When you sign into the Popular retail banking application to access your applicable Account(s) on your applicable mobile device and select "Mobile Cash", your eligible account(s) for Mobile Cash ATM Withdrawals will appear for your selection. The limitations and restrictions on the frequency or dollar amount of ATM cash withdrawals for your applicable Popular MasterCard debit card set forth in the applicable agreements, disclosures and/or terms and conditions governing your Popular Bank MasterCard debit card(s) and applicable Account(s) will apply to any Mobile Cash ATM Withdrawals made using your applicable mobile device to the same extent as any ATM cash withdrawals made using your applicable Popular Bank MasterCard debit card, which will be aggregated together for purpose of such dollar amount and/or frequency limits and restrictions. For example, if the daily ATM cash withdrawal limit for your Popular Bank MasterCard debit card is \$1,000 and you insert or swipe such debit card at an ATM and withdraw \$500 from your applicable Account, then you will only be able to withdraw a maximum of \$500 utilizing Mobile Cash ATM Withdrawal from your applicable Account on that same day.

Your Liability for Mobile Cash ATM Withdrawals at Popular ATMs Using a Mobile Device. You authorize us, without any further inquiry, to charge your applicable Account(s) for any and all Mobile Cash ATM Withdrawals at applicable Popular ATMs initiated through the use of your applicable mobile device, and you agree that you are and will be at all times fully liable for all such Mobile Cash ATM Withdrawals and, except as otherwise prohibited or restricted by applicable law, you waive any claims against, and release Popular, from any and all liability relative to any Mobile Cash ATM Withdrawal activity on your applicable Account(s). The procedures for handling errors on your Account statement(s) or unauthorized transactions, and your liability for such errors or unauthorized transactions, in each case relative to Mobile Cash ATM Withdrawals, will be the same as an error or unauthorized transaction relating to the use of a Popular MasterCard debit card issued by us, and are set forth in the Personal Banking and Disclosure Agreement.

For scheduled and recurring payments, we will deduct your payment(s) from your selected Account (e.g. your checking, savings or money market account) on the date the payment is to be sent per your request and instructions. For Immediate Payments, we will deduct your payment(s) from your Account at the time of the Immediate Payment request even though the payment may not be sent until the next Business Day. You authorize us to report the facts concerning insufficient funds to a credit reporting agency.

To do so, you must authorize us to use your username, password and any other login credentials required to set up an E-Bill.
 - *Limitations.* No single Bill Pay transaction may exceed \$9,999.00 and no Bill Pay Immediate Payment transaction may exceed \$9,999.00. The total amount of any and all payments made with Bill Pay in any one (1) Business Day may not exceed \$9,999.00. Account eligibility rules may differ if you are enrolling in Zelle[®] through a separate financial institution or on the separate Zelle[®] service mobile app. In order to receive money transfers into your Deposit Account, that account must be in good standing. In order to transfer money out of your Funding Account to another individual or business, you must have an available balance in that account. You represent that you have the authority to authorize debits and credits to the enrolled Funding Account or Deposit Account.

You agree that you may not use Zelle[®] to conduct small business activity or with any commercial account with us to receive money.

You agree that there may be other eligibility requirements that apply to participate in Zelle[®] (e.g., non-U.S. persons may be prohibited from using Zelle[®]), and that we have the right and sole discretion, to restrict or otherwise prohibit your use of Zelle[®].

You further agree that you will not authorize a third party to use Zelle[®] or share your mobile banking log-in credentials with a third party to use Zelle[®] on your behalf.

We may, from time to time, introduce new features to Zelle[®]. When this happens, we will update our mobile banking app and/or website, as applicable, to include them.

3. Enrolling an Email Address or U.S. Mobile Phone Number to Use Zelle

You must enroll an email address that you regularly use and intend to use regularly (i.e., no disposable email addresses), and/or a permanent, text message-enabled U.S. mobile phone number that you intend to use for an extended period of time (i.e., no “burner” numbers). You may not enroll in Zelle[®] with a landline phone number, Google Voice number, or Voice over Internet Protocol (VoIP). We reserve the right to cancel any enrolled email addresses or mobile phone numbers that do not meet the requirements reflected herein at any time without prior notice.

We may block enrollment, or later unenroll, any email address or U.S. mobile number, if at any time we determine that it does not meet our criteria for Zelle[®] usage. For example, we may limit the number of email addresses and/or mobile phone numbers, that you can enroll in Zelle[®] for an account. You may not enroll an email address that misleads or deceives other Users of Zelle[®] as to your identity or the purpose of payments sent to you.

Once enrolled, you may:

- authorize a debit of your account to send money to another User either at your initiation or at the request of that User, subject to the terms and conditions outlined herein and
- receive money from another User either at that User’s initiation or at your request, subject to the conditions outlined below under the section titled “Requesting Money.”

If at any time while you are enrolled, you do not send or receive money using Zelle[®] for an extended period of consecutive months, we may contact you and/or take other steps to confirm that the U.S. mobile phone number or email address that you enrolled still belongs to you. If we are unable to confirm that you are the owner of the mobile phone number or email address, then you understand that we may unenroll your U.S. mobile phone number or email address and you will not be able to send or receive money with Zelle[®] until you enroll again.

Once enrolled, a Z logo may appear on your profile picture for each U.S. mobile number and/or email address that you have enrolled with Zelle[®]. The Z logo may be displayed to other Users to aid them in determining which of your U.S. mobile numbers or email addresses should be used to send money with Zelle[®]. If a User sends you money using a different U.S. mobile number or email address that they may have for you (one that is not already enrolled), you will receive a message with instructions on how to enroll with Zelle[®].

You represent and warrant to us that for each person you instruct us to send emails and text messages, you have received permission from that person for us to do so. Please note:

By participating as a User in Zelle[®], you represent and warrant to us that you are the owner or mobile subscriber of the email address, mobile phone number, and/or other alias you enrolled, or that you have the delegated legal authority to act on behalf of the owner or mobile subscriber of such email address, mobile phone number, and/or other alias to send or receive money as described in the Zelle Terms. You consent to the receipt of emails or text messages from us, from Zelle[®], from other Users that are sending you money or requesting money from you, and from other Participating Financial Institutions or their agents regarding Zelle[®] or related transfers between Participating Financial Institutions and you. You agree that we may, Zelle[®] may, or either of our agents may use automatic telephone dialing systems in connection with text messages sent to any mobile phone number you enroll. You further acknowledge and agree that:

- You are responsible for any fees or other charges that your wireless carrier may charge for any related data, text or other message services, including without limitation for short message service. Please check your mobile service agreement for details or applicable fees, as message and data rates may apply.
- You will immediately notify us if any email address or mobile phone number you have enrolled for use in Zelle[®] is (i) surrendered by you, or (ii) changed by you.
- In the case of any messages that you may send through either us or Zelle[®] or that we may send or Zelle[®] may send on your behalf to an email address or mobile phone number, you represent that you have obtained the consent of the recipient of such emails or automated text messages to send such emails or text messages to the recipient. You understand and agree that any emails or text messages that we send or that Zelle[®] may send on your behalf may include your name.
- Your wireless carrier is not liable for any delay or failure to deliver any message sent to or from us or Zelle[®], including messages that you may send through us or through Zelle[®] or that we may send or Zelle[®] may send on your behalf.

- We may send you text messages to the mobile phone number you have enrolled for Zelle® as follows:

- Zelle® Text Messages

You will receive text messages from 20736 when you add a new payment recipient, receive money, or receive a request for money, unless you cancel receiving these text messages from us. Additional Zelle® text messages coming from 20736 may be added at any time to supplement your existing Zelle® email or push notifications. Message and data rates may apply depending on your carrier plan. To cancel text messages sent from 20736, send STOP to 20736.

- General Text Messages

General text messages may be sent from 20736. To cancel text messages sent from 20736, send STOP to 20736. By sending STOP to 20736, you will no longer receive other Popular Bank Online text messages from that number, including those for other services in which you may have enrolled, such as balance alerts, with the exception of certain one-time text messages that you may request in the future to receive (e.g., security text messages).

When you send STOP, you understand and agree that you will receive a single text message confirming your opt out request.

- To get help with Zelle® or General text messages, send HELP to the applicable number(s) described in this Section, or call customer service at 1-800-377-0800. Message and data rates may apply.
- Supported Carriers: Zelle® text messages are supported by many mobile carriers. Please check with your individual mobile carrier to confirm availability.

In the event you ever withdraw this consent, and notwithstanding that withdrawal, you expressly authorize us to use any of the methods described above to send you messages confirming your instructions sent to us via text message, including a confirmation from us in the event you withdraw your consent.

4.C. Declining to Use an Email Address or Mobile Phone Number

We may, in our sole discretion and for any reason, decline at any time to accept or use, or to continue to accept or use, any specific email address or mobile phone number provided to us by any person.

4.D. Wireless Carrier Data

We or Zelle® may use information on file with your wireless carrier to further verify your identity and to protect against or prevent actual or potential fraud or unauthorized use of Zelle®. By using Zelle®, you authorize your wireless carrier to use or disclose information about your account and your wireless device, if available, to Popular Bank or its service provider for the duration of your business relationship, solely to help them identify you or your wireless device and to prevent fraud.

See the Zelle[®] Privacy Notice for how Zelle[®] treats your data, and our applicable Privacy Notices for how we treat your data.

5. Fees for Zelle[®]

We do not charge a fee for using Zelle[®]. However, fees associated with text messaging may be assessed by your mobile carrier, and data rates may apply. Account fees (e.g., monthly service, overdraft) may also apply to your account(s) that you use for Zelle[®]. In addition, fees may apply if you use Zelle[®] through another financial institution or through the separate Zelle[®] service mobile app. We reserve the right to assess fees in connection with Zelle[®] in the future. If we do assess fees, we will give you reasonable notice as required by law and deduct any applicable fees from the Funding Account used for the Transfer Transaction.

6. Accessing Your Funding Account; Terminating Access

6.A. Gaining Access

6.B. Terminating Access

6.C. Application of the Zelle[®] Terms and the Mobile Banking User Agreement After Reinstatement

6.A. Gaining Access

You authorize us to provide access to your Funding Account and Deposit Account through Zelle[®] to initiate and complete Transfer Transactions.

To access Zelle[®] you must have a username, a password, and the required hardware and software as described herein. You must also comply with any other security procedures and policies we may establish from time to time as provided in the Mobile Banking User Agreement.

You must provide all mobile phone and other equipment, software (other than any software provided by us), and services necessary to access Zelle[®].

Not all types of accounts are eligible for Transfer Transactions. We reserve the right to decline the use of any account as a Funding Account or Deposit Account that we believe may present a risk to you and/or us.

6.B. Terminating Access

You agree that unless otherwise required by applicable law or regulation, we can terminate your access to Zelle[®], in whole or in part, at any time. For example, in the event (i) you violate any terms of the Zelle Terms or the Mobile Banking User Agreement, (ii) there are suspected or confirmed unauthorized or fraudulent transactions related to your Funding Account, Deposit Account or use of Zelle[®], or (iii) we incur problems with your use of Zelle[®], you agree that we may suspend or terminate your access to Zelle[®] at any time.

We may, in our sole discretion, at any time and without prior notice to you or other Zelle[®] participants, suspend or terminate:

- your use of Zelle[®],
- your ability to send or receive money through a Transfer Transaction,
- your ability to send money through a Transfer Transaction, while continuing to permit you to receive money through a Transfer Transaction,
- your ability to request money from another User, or
- your ability to receive requests for money from another User.

6.C. Application of the Zelle Terms and the Mobile Banking User Agreement After Reinstatement

In the event your access to Zelle[®] is terminated or suspended for any reason and then later reactivated or reinstated, you agree that the Zelle Terms and the Mobile Banking User Agreement, or any revised or amended version of the Zelle Terms and the Mobile Banking User Agreement in effect at the time of reactivation or reinstatement, will continue to apply to your Transfer Transactions and use of Zelle[®].

7. Privacy; Authorization to Use Information; Obligation to Update Contact Information

7.A. Commitment to Privacy

7.B. Use of Personal Information to Identify You and Process Transfer Transactions

7.C. Additional Provisions Concerning Use of Information

7.D. Changes to Email Address and Mobile Phone Number

7.A. Commitment to Privacy

We make security and the protection of your information a top priority. Except as otherwise provided in the Zelle Terms, all information gathered from you in connection with using Zelle[®] will be governed by our applicable Privacy Notices and/or Zelle Privacy Notice.

7.B. Use of Personal Information to Identify You and Process Transfer Transactions

You authorize each Participating Financial Institution to use the email addresses and/or U.S. mobile phone numbers that are associated with you to process and route Transfer Transactions to and from your Funding and Deposit Accounts.

In particular, if you:

- receive notice of a Transfer Transaction via any email address or via text message at any mobile phone number, and
- authorize or accept completion of the Transfer Transaction, then you are also authorizing all Participating Financial Institutions and Zelle[®] to associate that email address or mobile phone number with you and with your Funding and Deposit Accounts.

You agree that we may provide information about you to:

- any User you contact or attempt to contact, communicate or attempt to communicate with, send or attempt to send funds to, or receive or attempt to receive funds from, using Zelle[®], and
- any User's Financial Institution, Zelle[®], or any other person engaged in processing, facilitating, or delivering Transfer Transactions to which you are a party.

The information we provide may include your name (first and last name), address, mobile phone number, email address, your Zelle[®] QR Code, and/or any other enrolled alias of yours. You irrevocably waive any provision of our applicable Privacy Notices, which would prevent us from providing this information in connection with any Transfer Transaction to which you are a party.

7.C. Additional Provisions Concerning Use of Information

You agree that we may obtain such additional information as we deem reasonably necessary to ensure that you are not using Zelle[®] in violation of law, including, but not limited to, laws and regulations designed to prevent "money laundering" or the transfer of funds to or from persons or organizations whose accounts are blocked under regulations of the Office of Foreign Asset Control (OFAC) of the United States Treasury Department.

You understand that in order to complete transfers using Zelle[®], it may be necessary for us to communicate with other financial institutions and other participants in Zelle[®] concerning the Transfer Transactions. You agree that we may use, copy, modify, update, display, and distribute to other persons any information or data you provide to us for the purpose of processing Transfer Transactions or providing Zelle[®], and you give us a license to do so.

You authorize us and other Participating Financial Institutions to use information you provide to us, and information concerning your Transfer Transactions in order to:

- initiate and complete Transfer Transactions, and
- provide ancillary and supporting services to facilitate your Transfer Transactions and use of Zelle[®].

Your authorization includes, but is not limited to, providing such information to:

- Users to whom you send or attempt to send funds, or from whom you receive or attempt to receive funds, using Zelle[®],
- Zelle[®],
- User's Financial Institutions, and
- any intermediary or service that is in any way facilitating or processing the Transfer Transaction.

We may also disclose information to third parties about your account or the transfers you make, in order to process your transactions or to verify the existence and condition of your account. The third parties may include transactions processors, clearinghouses, credit bureaus and merchants.

Each time you use Zelle[®], you represent and warrant to us that:

- you have the right to authorize us to access your Funding Account to effect fund transfers or for any other purpose authorized by the Zelle Terms,
- you are not violating any other person's rights when you provide us information and instruct us to initiate or complete a fund transfer, and
- all the information you provide to us is true, current, accurate, and complete.

We will maintain audit logs that track your access, view, and use of electronic data in connection with your use of Zelle[®]. These audit logs may include, but are not limited to, detailed information about your transactions and communication with other Zelle[®] participants.

You also authorize us and Zelle[®] to capture certain information from your mobile device or internet browser used to access Zelle[®], including, but not limited to, Internet Protocol (IP) address and geolocation (if enabled on your device). We and Zelle[®] may use such information to: operate and maintain Zelle[®]; prevent, detect and protect against security incidents, fraud and prohibited or illegal activities related to Zelle[®]; conduct internal research to improve Zelle[®]; prepare anonymized reports about the use of Zelle[®]; or for legal or compliance purposes.

7.D. Changes to Email Address, and Mobile Phone Number

You agree that you will notify us immediately in the event of a change to any email address or mobile phone number that has been provided to us and is associated with you. You may instruct us to change any email address or mobile phone number we associate with Zelle[®] at any time. Email address and mobile phone number changes may be initiated:

- at your request;
- if we receive notice of change to your email address or mobile phone number from any Participating Financial Institution or any common carrier; or
- if we receive information from another party in the business of providing correct contact information that the email address or mobile phone number in our records no longer is associated with you.

We may continue to rely on any email address or mobile phone number that has been provided to us until you notify us of a change. We may act on any instruction purportedly made on your behalf within a reasonable time after we receive such instruction.

8. Power of Attorney

For as long as you are using Zelle[®], you give to us a limited power of attorney and appoint us as your true and lawful attorney-in-fact and agent, with full power of substitution and re-substitution, for you and in your name, place and stead, in any and all capacities, to access the Funding and Deposit Accounts, complete transfers as described herein, with full power and authority to do and perform each and every act and thing requisite and necessary to be done in connection with completing transfers, including verifying the content and authenticity of any transfer instruction for the purposes of security procedures applicable to the Funding and Deposit Accounts, as fully to all intents and

purposes as you might or could in person. Once we have actual knowledge that you wish to cease using Zelle® as provided in the Zelle Terms and have a reasonable opportunity to act on such knowledge, this limited power of attorney is automatically revoked; provided, however, that any act done by us in good faith before we have actual knowledge of the termination by you and have a reasonable opportunity to act on such knowledge shall be deemed to be authorized by you. This limited power of attorney shall not be affected by your subsequent incapacity.

You understand and agree that your relationship with each person to whom you send money to, or receive money from, is independent of Popular Bank and your use of Zelle®. We will not be responsible for any acts or omissions by these persons.

YOU ACKNOWLEDGE AND AGREE THAT WHEN POPULAR BANK IS EFFECTING A TRANSFER FROM OR TO ANY OF YOUR ACCOUNTS, POPULAR BANK IS ACTING AS YOUR AGENT, AND NOT AS THE AGENT OR ON BEHALF OF ANY THIRD PARTY. You agree that Popular Bank, its affiliates, service providers, and partners shall be entitled to rely on the authorization, agency, and power of attorney granted by you in the Zelle Terms.

9. Limitation of Liability

YOU AGREE THAT NOTWITHSTANDING ANY OTHER PROVISION OF THE ZELLE TERMS AND MOBILE BANKING USER AGREEMENT, WE SHALL NOT BE LIABLE FOR ANY COSTS, FEES, LOSSES OR DAMAGES OF ANY KIND INCURRED BY YOU AS A RESULT OF (1) OUR ACCESS TO THE ACCOUNTS; (2) OUR ABILITY OR INABILITY TO DEBIT AND/OR CREDIT THE ACCOUNTS IN ACCORDANCE WITH YOUR TRANSFER INSTRUCTIONS; (3) ANY INACCURACY, INCOMPLETENESS OR MISINFORMATION CONTAINED IN THE INFORMATION RETRIEVED ON THE ACCOUNTS; (4) ANY CHARGES IMPOSED, OR ACTIONS TAKEN, BY ANY NON-POPULAR BANK FINANCIAL INSTITUTION; (5) ANY TRANSFER LIMITATIONS SET BY THE NON-POPULAR BANK FINANCIAL INSTITUTIONS; AND/OR (6) LIABILITY ARISING FROM THE RECEIPT OR NON-RECEIPT OF THIRD PARTY NOTIFICATIONS SENT TO RECIPIENTS' EMAIL ADDRESSES OR MOBILE PHONE NUMBERS PROVIDED TO US.

NEITHER WE NOR ZELLE® SHALL HAVE LIABILITY TO YOU FOR ANY TRANSFERS OF MONEY, INCLUDING WITHOUT LIMITATION, (I) ANY FAILURE, THROUGH NO FAULT OF US OR ZELLE® TO COMPLETE A TRANSACTION IN THE CORRECT AMOUNT, OR (II) ANY RELATED LOSSES OR DAMAGES. NEITHER WE NOR ZELLE® SHALL BE LIABLE FOR ANY TYPOS OR KEYSTROKE ERRORS THAT YOU MAY MAKE WHEN USING ZELLE®.

ZELLE® IS INTENDED FOR SENDING MONEY TO FAMILY, FRIENDS AND OTHERS WHOM YOU TRUST. YOU SHOULD NOT USE ZELLE® TO SEND MONEY TO PERSONS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST. ZELLE® DOES NOT OFFER A PROTECTION PROGRAM FOR AUTHORIZED PAYMENTS MADE THROUGH ZELLE® (FOR EXAMPLE, IF YOU DO NOT RECEIVE THE GOODS OR SERVICES THAT YOU PAID FOR, OR THE GOODS OR SERVICES THAT YOU RECEIVED ARE DAMAGED OR ARE OTHERWISE NOT WHAT YOU EXPECTED).

10.G. Failure or Rejection of Transfer Transactions

10.H. Authorization to Send Money and Suspense of Money

10.I. No Right to Cancel or Stop a Transfer Transaction

10.A. General

You may use Zelle[®] to perform Transfer Transactions.

We may from time to time make available additional or new features to Zelle[®]. You will be approved or declined for any such additional service at our sole discretion and additional terms and conditions may apply. We may at any time decline any Transfer Transaction that we suspect may be fraudulent or violate applicable law.

You represent and warrant to us that:

- all Transfer Transactions you initiate are for your own account, and not on behalf of another person,
- you are not receiving any fee or compensation from any other person in return for initiating a Transfer Transaction, and
- you are authorized by the receiving User to send money to the User's account at the User's Financial institution.

10.B. Sending Money; Debits by Participating Financial Institutions

a. General Information

You may send money to another User at your initiation or in response to that User's request for money. For your protection, you should only send money to people and entities you know and trust. You understand that use of Zelle[®] by you shall at all times be subject to (i) the Zelle Terms, and (ii) your express authorization at the time of the transaction for us to initiate a debit entry to your Funding Account. You understand that when you send the payment, you will generally have no ability to stop it. You may only cancel a payment if the person to whom you sent the money has not

yet enrolled their email address or U.S. mobile phone number in Zelle®. If the person you sent money to has already enrolled with Zelle®, either in the separate Zelle® mobile app or with a Participating Financial Institution, the money is sent directly to their bank account (except as otherwise provided below) and may not be canceled or revoked.

b. Timing of Transfer Transactions

In most cases, when you are sending money to another User, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Participating Financial Institutions, we may need additional time to verify your identity or the identity of the person receiving the money.

If you are sending money to someone who has not enrolled as a User with Zelle®, either in the separate Zelle® mobile app or with a Participating Financial Institution, they will receive a text or email notification instructing them on how to enroll to receive the money. You understand and acknowledge that a person to whom you are sending money and who is not enrolled as a User may fail to enroll with Zelle®, or otherwise ignore the payment notification, and the transfer may not occur.

The money may also be delayed or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify you in accordance with your communication preferences (i.e., email, push notification, text message).

We have no control over the actions of other Users, other Participating Financial Institutions or other financial institutions that could delay or prevent your money from being delivered to the intended User.

10.C. Frequency of Transfer Transactions

We do not limit the number of transfers you may make; however, you may not make transfers in excess of the number allowed by the rules governing the applicable accounts. We may from time to time, without notice, for security and risk management reasons, modify the limit, the frequency, and the dollar amount of money you can send using Zelle®.

10.D. Dollar Amount of Transfer Transactions for Sending Money

You may not send money in excess of the limits described below. The amount of money you can send will vary based on the type of Funding Account you use, your account and online banking history, your recipient, and the transaction history for each recipient. Transfers to established recipients from a Popular Bank Funding Account may be made up to a daily dollar limit of \$500 and a 30-day rolling dollar limit of \$15,000. Higher limits may apply. Please note the amount of money you can send a new recipient may be initially lower; however, we may adjust the sending limit when you send subsequent payments to the same recipient. For more details on applicable limits, log in to Zelle® on the Popular Bank mobile app.

Sending limits applicable to Users at other financial institutions are governed by the User's Financial Institution's transfer service agreements. Sending limits applicable to Users who use the separate Zelle® mobile app are governed by separate Zelle® service agreements.

We reserve the right to change the dollar amount of money you are permitted to send using Zelle[®] without prior notice to you, unless otherwise required by applicable law or regulation. For example, in the event that your use of Zelle[®] has been suspended and reinstated, you understand and agree that your use of Zelle[®] thereafter may be subject to lower dollar amount limitations than would otherwise be permitted by us. All sending limits are subject to temporary reductions to protect the security of customer accounts and/or Zelle[®]. Your sending limits may vary from those of other Users, depending upon criteria we establish.

10.E. Transfer Transactions Subject to the Rules of the Funding Account

All Transfer Transactions are subject to the rules and regulations governing your Funding Account. You agree not to initiate any payments from an account that are not allowed under the rules or regulations applicable to that account, including, without limitation, rules or regulations designed to prevent the transfer of funds in violation of OFAC regulations. You agree that any Transfer Transaction to a User's account which is not with a Participating Financial Institution will also be governed by the Nacha Operating Rules and any applicable card network rules (e.g., Visa or Mastercard).

10.F. Transfer Transaction Descriptions

We may, in our sole discretion, permit you to add a description or comment concerning the Transfer Transaction that will be transmitted to the recipient. You agree that if we permit you to add a description or comment concerning the payment to your recipient that you will not include inappropriate or abusive language, emojis, messages or content in the description or comment. You agree that we may monitor the contents of the description or comment, and may delete or edit the message if we believe any of the content is inappropriate or abusive, in our sole and absolute discretion.

10.G. Failure or Rejection of Transfer Transactions

We do not make any representation or warranty that any particular Transfer Transaction can be completed, or that it can be completed within a particular period of time. Any estimate we may provide concerning the completion date for the Transfer Transaction is only an estimate, and is not binding on us. You understand and agree that we have no control over the actions of other Users, or of other financial institutions (including User's Financial Institutions), that may prevent a Transfer Transaction from being completed, or may delay its completion. You understand and agree that we may not be able to complete a Transfer Transaction if:

- the receiving User does not enroll with Zelle[®]; or
- the receiving User does not enroll with Zelle[®] the specific email address or mobile phone number you have provided to us for them.

If you do not have enough money in your Funding Account to make a Transfer Transaction, we may reject your request to initiate the Transfer Transaction.

We reserve the right to decline or cancel any payment instructions or orders or to carry out change or cancellation requests. We may, in our sole discretion, decline to initiate or complete a Transfer Transaction for any reason. We may, in our sole discretion and to the extent possible, accept

instructions from any User or from a User's Financial Institution to block your attempts to use Zelle® to initiate Transfer Transactions with that User or customers of that institution.

10.H. Authorization to Send Money and Suspense of Money

You agree that each payment instruction you give us is an authorization to send money on your behalf. You authorize us to withdraw the money from your Funding Account immediately upon receiving your instruction for the Transfer Transaction and to place the money in a suspense account pending completion of the Transfer Transaction. You understand and agree that in the case of a Transfer Transaction to a person who has not yet enrolled in Zelle®, we may hold your money in the suspense account for up to fifteen business days before either returning the money to you or sending it to the recipient.

You also agree that the User's Financial Institution receiving the money for a Transfer Transaction may hold the money for a reasonable period of time while attempting to identify a Deposit Account for a User who has either:

- not yet enrolled in Zelle®;
- not yet identified a Deposit Account, or
- closed the recipient's prior Deposit Account but still has other accounts open with the User's Financial Institution.

You understand that the User's Financial Institution receiving the funds may require a User to manually accept each funds transfer you send to the User. If the User does not accept the funds transfer within the time frame set by the User's Financial Institution, the funds will be returned to you. You understand and agree that we have no control over whether or not the User's Financial Institution will require manual acceptance, or how long the User's Financial Institution will hold the funds before returning them.

You authorize us to act as your agent in receiving and processing any return of money or Notification of Change received through the Automated Clearing House system.

10.I. No Right to Cancel or Stop a Transfer Transaction

Transfer Transactions that have been processed cannot be cancelled or stopped. You agree that you, and not we, will be responsible for resolving any payment dispute with any User to whom you send money through a Transfer Transaction, except as otherwise provided by law or regulation (including, to the extent applicable, the protections described in Section 13 relating to EFTs for consumer accounts).

11. Receiving Money; Refunding Payments and Payment Disputes

11.A. Receiving Money

11.B. Refunding Payments Made to You by Users

11.C. Discharge of Obligations

11.A. Receiving Money

a. General Information

Once a User initiates a transfer of money to your email address or mobile phone number enrolled with Zelle[®], you have no ability to stop the transfer. By using Zelle[®], you agree and authorize us to initiate credit entries to your Deposit Account.

All payments received are subject to the rules and regulations governing your Deposit Account.

b. Timing of Transfer Transactions

Most transfers of money to you from other Users will occur within minutes. There may be circumstances when the payment may take longer. For example, in order to protect you, us, Zelle[®] and the other Participating Financial Institutions, we may need or Zelle[®] may need additional time to verify your identity or the identity of the person sending the money. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. If we block a payment that you have initiated through a request for money, we will notify you in accordance with your communication preferences (i.e. email, push notification).

In some cases, a User, who is a business or government agency, may send payments to you using the email address or mobile phone number that you enrolled. If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both the Zelle Terms and the procedures of the business or government agency that is sending you the payment.

c. Dollar amount of Transfer Transactions for Receiving Money

With some exceptions, as noted in this section, Popular Bank does not set limits on the amount of money you can receive from other Users. However, the amount you can receive from another User may be limited by applicable card network rules, the User's Financial Institution's transfer service agreements or the separate service agreements for the Zelle[®] mobile app.

d. Processing Transfer Transactions

You agree that we may, to the extent possible, hold money we receive on your behalf for a reasonable period of time while attempting to identify a Deposit Account if you have either:

- not yet identified a Deposit Account, or
- closed your prior Deposit Account but still have other accounts open with us.

We may return all or part of any Transfer Transaction to the sending financial institution, at any time and in our sole discretion and to the extent possible, if either:

- we are unable to establish that you are the intended recipient of the Transfer Transaction,
- you do not enroll with Zelle[®] the specific email address or mobile phone number the sending User has provided to us for you,

- we reasonably believe that completing the Transfer Transaction would violate any applicable law or regulation,
- the User sending the money has exceeded any of the sending limits established by the User's financial institution for Transfer Transactions,
- we are advised that either the Participating Financial Institution, the User initiating the Transfer Transaction, or the owner of the Funding Account, or from which the payment was made, has alleged that the Transfer Transaction was fraudulent or unauthorized.

11.B. Refunding Payments Made to You by Users

You agree that you are responsible for the full amount of any Transfer Transaction we credit to your Deposit Account which is later reversed for any reason. You agree that we may withdraw the full amount, or any portion, of any reversed or disputed Transfer Transaction, plus any applicable fees, from your Deposit Account or from any other account you have with us, without prior notice to you. You agree that you, and not we, will be responsible for resolving any payment dispute with any User from whom you receive money through a Transfer Transaction.

11.C. Discharge of Obligations

You understand and agree that the extent to which a Transfer Transaction discharges an underlying obligation you have to the recipient of a Transfer Transaction, or an underlying obligation owed to you by the sender of a Transfer Transaction, will be determined by your agreement with the other party and other applicable law.

12. Requesting Money from Another User and Receiving a Request for Money

12.A. Requesting Money

12.B. Receiving a Request for Money

12.A. Requesting Money

We may, at our option, offer you the ability to send a request for money to another User. You understand and agree that:

- All requests for money must be delivered to an email address if a User has not enrolled a mobile phone number with us, Zelle[®] or a Participating Financial Institution.
- Users to whom you send payment requests may decline or ignore your request. Neither we nor Zelle[®] guarantee that you will receive money from other Users by sending a payment request, or that you will receive the amount that you request. Neither we nor Zelle[®] accept responsibility if a User rejects or ignores your request, or sends you an amount that is less than you request. If a User ignores your request, we may decide or Zelle[®] may decide, in our sole discretion, that we will not send a reminder or repeat request to that User. We have no obligation to advise you on whether or not the request has been received.
- You will not make or repeat a request for money to a User after you have received notice from any person that either:

- the User does not wish to receive a request for money from you, or
 - the User disputes or disclaims the obligation for which the request is made.
- You agree that you are not engaging in the business of debt collection by attempting to use Zelle® to request money for the payment or collection of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend and hold harmless us, Zelle®, its owners, directors, officers, agents, and Participating Financial Institutions, from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any request for money that you send that is related to overdue or delinquent amounts.
- You agree to receive money requests from other Users, and to only send requests for legitimate and lawful purposes. Requests for money are solely between the sender and recipient and are not reviewed or verified by us or by Zelle®. Neither we nor Zelle® assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the sender of a request for money.
- We reserve the right, but assume no obligation, to terminate your ability to send requests for money in general, or to specific recipients, if we deem such requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.
- To send and receive requests for money with a small business, both parties must be enrolled with Zelle® directly through their financial institution's online or mobile banking experience.

12.B. Receiving a Request for Money

We may offer other Users the ability to send you a request for money. You have no obligation to respond to the request, either through Zelle® or otherwise. You authorize us to deliver to you all requests made by other Users that we reasonably believe are addressed to you. You understand and agree that:

- We are not able to control the frequency, content, or purpose of requests that may be sent to you by other Users.
- We make no representations or warranties concerning the genuineness or accuracy of any request you receive.
- We do not guarantee that you will receive requests addressed to you through Zelle®.
- We may not be able to prevent or block requests from being sent to you, either by specific Users or generally.

13.C. In Case of Errors, Unauthorized Electronic Fund Transfers, or Questions

Here's how to notify us when you believe that an error, unauthorized EFT, or unauthorized transfer has been or may have been made:

- Phone. 1-800-377-0800, Monday through Friday 7:30am – 12:00am ET and Saturday-Sunday 9:00am-6:00pm EST.
- Paper Mail. Popular Bank, P.O. Box 4906, Miami Lakes, FL 33014.

To limit your liability for subsequent unauthorized transfers, or to report any other errors, we must hear from you no later than 60 calendar days after the date we send the first statement on which the problem or error appeared.

When contacting us about an error or with questions, please tell us:

- Your name and account number (if any).
- About the error or the transfer you question, and clearly explain why you believe it is an error or why you need more information.
- The dollar amount and date of the suspected error.

If you report a problem by phone, we may ask you to submit your complaint or question in writing within 10 Business Days. We'll determine whether an error occurred within 10 Business Days after we hear from you and will promptly correct any error. If we need more time to conduct our investigation, we'll notify you of our need for an extension of up to 45 days. If we decide to do this, we'll provisionally credit your account within 10 Business Days for the amount you think is in error, so you can use the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and don't receive it within 10 Business Days, we may not provisionally credit your account.

For errors involving new accounts, our investigation may take up to 90 calendar days. For new accounts, we may take up to 20 Business Days to credit your account for the amount you think is in error.

We will tell you the results within three Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation and you can ask for copies of the documents that we used in our investigation.
