1. Transaction fees not eligible for fee offset.
2. Your average daily checking balance is the sum of the daily account end of day balance, after all debits and credits have been processed, divided by the number of days within the statement cycle. The amount is an aggregate for all accounts included in the package. The monthly fee will be assessed if the average daily balance is not maintained.
3. Deposit transaction fees and Cash Management transaction fees are independent of each other.
4. Deposit items include, but are not limited to, checks deposited, checks paid, account transfers, debit card transactions and deposit tickets across all accounts \$0.75 fee per item for each additional item.
5. Deposit items include, but are not limited to, checks deposited, checks paid, account transfers, debit card transactions and deposit tickets across all accounts \$0.50 fee per item for each additional item.
6. 200 check deposits plus 200 items including, but not limited to, checks paid, account transfers, debit card transactions and deposit tickets across all accounts \$0.50 fee per item for each additional item.
7. Subject to credit approval.
8. Requires Multi-Factor Authentication/Out-of-Band Authentication.
9. Capability is not included in the package; it is an add-on module. See Monthly Business Online Banking Maintenance Fees section for module fees.
10. Includes Payee Positive Pay Payments.
11. Includes Payee Positive Pay Returns.
12. Cash Concentration is included in the Preferred and Platinum Package.
13. Includes one base scanner. Scanner must be returned to Popular Bank within seven (7) days after service termination; otherwise, client account will be debited for the cost of the scanner. Scanner model may vary. All check and deposit item fees will be billed and processed according to respective business checking account maintenance schedule. Other restrictions may apply.
