I. GENERAL PROVISIONS

A. Business Days, Business Hours and Effective Date of Transactions

Bank business days are Monday through Friday, excluding federal holidays. Although the Bank offers services to the public some Saturdays, Sundays and federal holidays, these dates are not considered business days. The Bank’s business day schedule and hours are posted at each branch, and may be subject to change from time to time, at the Bank’s discretion. The Internet Banking and TeleBanco Popular services will be available 24 hours a day all year long subject to the availability of communication with these services and the terms and conditions applicable to each.

The Bank will process deposit transactions according to the Disclosure Related to the Availability of Funds Deposited in Individual Accounts (Regulation CC) of this Agreement. Other transactions carried out at branches may be processed as of the same date, the next business date or as posted at each branch.

B. Forms

To facilitate the prompt processing of your transactions, You should use the Bank’s forms, including the personalized deposit slips, for all transactions. All information provided must be legible.

C. Deposits

1. The Bank reserves the right to digitalize checks and other original items received in deposit and to process them electronically. You recognize that this digitalization process entails the destruction of original checks or items and, on occasions, the creation of a substitute check. For purposes of this Agreement, the term “substitute check” refers to a paper reproduction of an electronic image of the original check that complies with the requirements set forth in a federal act known as the Check Clearing for the 21st Century Act (“Check 21”). See Disclosure Related to the Availability of Funds Deposited in Individual Accounts of this Agreement. These checks have the same legal properties as the original checks issued by You.

2. You may make deposits in person, by mail or by any other method provided by the Bank, such as Automated Teller Machines and deposit boxes. The Bank does not assume responsibility for your deposits until the receipt of such deposit is acknowledged. You may not deposit cash in the branch deposit boxes or the Automated Teller Machines and if You do it shall be at your own risk. The Bank’s determination with respect to the amount of cash deposited shall be final.

3. The Bank recommends the use of personalized deposit slips to facilitate the prompt crediting of deposits to the Account. In the case of deposit slips that have been filled out by hand with the name and account number to be credited, the Bank shall rely on the account number indicated on the deposit slip and shall not be obliged to verify that the account number belongs to the person named on the deposit slip.

D. Payment Orders

1. The Bank may refuse to pay any check, substitute check or item against the Account (payment order) if:
   a. the item:
      (1) is incorrectly or incompletely issued or endorsed;
      (2) is issued in a form that has not been approved by the Bank;
      (3) is unauthorized for deposit in the Account;
      (4) is unauthorized for payment;

2. The Bank will credit deposits that comply with the terms and conditions of this Agreement. The Bank may refuse to credit a deposit when the information is incomplete, illegible, inconsistent with the information given when You opened your Account, or if the deposit fails to abide by any of the provisions or the applicable law.

3. At the time a deposit is made to the Account, the Teller will only verify the cash. Checks and other items deposited will be verified not later than the following business day after the deposit was received. Any discrepancy or omission will be notified to You by mail. The Bank’s determination to this effect shall be deemed correct. The Bank may at any time refuse to accept on deposit any check or instrument with a prior endorsement to that by the account holder or its authorized representative, including bank checks or managerial checks.

If the Bank determines that the cash deposited was counterfeited currency or that the checks or the other items deposited were improperly or fraudulently issued or negotiated or, if the Bank receives a claim to those effects, the Bank may debit any of your Accounts for the corresponding amount. The Bank will notify You of the adjustment to your Account by mail.

6. The Bank may ignore information or legend on checks and other deposited items, other than the signature, the drawee bank and drawer’s identification, amount, endorsements, and other encoded information, according to the standard banking practice.

7. Upon receipt of checks and other items for deposit or collection, the Bank acts as a collection agent on your behalf, registering items subject to final settlement. In this case the Bank’s responsibility is limited to exercising ordinary care. Upon final settlement the item is considered collected. If final payment is not received, or if any item deposited in cash must be reversed for any reason, the Bank is expressly authorized to debit, at any moment and without prior notification, any of your accounts for the amount of the item, the penalty fee imposed by the Bank on returned items, interest paid on the deposited items, and any other related charges.

8. The Bank reserves the right to accept or limit any deposit, and to require the withdrawal of a deposit when it deems convenient. When the Bank requires the withdrawal of a deposit or any part of it, such deposit will not accrue interest from the date of the request.

9. The Bank may require that You provide certain warranties and indemnities as a condition precedent to accepting for deposit a substitute check created by a non-banking entity.

(5) exceeds the frequency or the amount of withdrawals allowed for the type of Account;
(6) is drawn for a smaller amount than the minimum permitted for that type of Account;

b. if the Account is subject to a dispute;

c. if the Account is subject to an attachment or lien, has been pledged to secure an obligation, if availability of funds cannot be verified, or if the Account is subject to setoff against amount due to the Bank.

2. The Bank may pay from your Account any electronic debit authorized by you to pay for group insurance available only through the Bank and payable only by means of an aggregate payment from the Bank to the insurer. The Bank shall not need a written confirmation from you to pay such debits, instead you agree that the Bank may rely on the authorization you give the insurer whether such authorization is given in writing or verbally. In accordance with applicable regulation these debits will not be deemed electronic transfers.

3. The Bank is under no obligation to pay an item drawn against insufficient funds if You are not in compliance with any provision of this Agreement. If there are available enough funds to cover part, but not all of the items drawn against the Account, the Bank may, at its sole option, determine which items to honor.

4. In the event of wrongful dishonor of an item, the Bank shall be liable to You only for the actual proximate damages, which are conclusively proved by You. Consequential damages or damages to your reputation, business, or other activities shall not be presumed.

5. The Bank shall not be liable for Stop Payment Orders placed after the checks have been paid, or for errors or omissions in the information provided by You about the check or pre-authorized debit which payment You seek to stop.

6. In compliance with the Bank’s legal reserve requirements the Bank reserves the right to require a seven (7) days prior written notice from You if You wish to withdraw funds deposited in the investment or savings section of a combined account with a transaction account.

E. Overdrafts

1. The Bank shall determine if an Account has available funds to honor an item at any time from the time of receipt of such item until the cut-off time established by the Bank to return the item. Only one determination of availability of funds will be made by the Bank. If upon such determination it appears that funds in the Account are insufficient to pay the item, the Bank is under no obligation to pay the item and may return it. The Bank is not required to send a notice prior to returning items for insufficient funds.

2. The Bank may, at its option, pay any payment order or item against the Account even if it creates an overdraft; provided, however, that the payment of one or several overdrafts shall not bind the Bank to pay subsequent overdrafts.

3. An insufficient balance in the account, that is not covered by a Line of Credit is subject to a charge as set forth in the prevailing disclosure of applicable charges. Items drawn against unavailable funds in the Account may also be subject to a charge. You agree to deposit sufficient funds to cover any overdraft, plus interest for the amount in overdraft (at the maximum rate permitted by law, or regulation, or as established in the prevailing Addendum to the Deposit Accounts Agreement) from the date of the overdraft until the date in which the complete payment is made, and any other applicable charge.

4. You also agree to reimburse the Bank for any expense incurred in the collection of the overdraft including, but not limited to, legal fees and litigation expenses authorized by law.

You agree that, in case any claim is made to the Bank for payment of a check or preauthorized debit which payment You seek to stop, an insufficient balance in the account, that is not covered by a Line of Credit is subject to a charge as set forth in the prevailing disclosure of applicable charges. Items drawn against unavailable funds in the Account may also be subject to a charge. You agree to deposit sufficient funds to cover any overdraft, plus interest for the amount in overdraft (at the maximum rate permitted by law, or regulation, or as established in the prevailing Addendum to the Deposit Accounts Agreement) from the date of the overdraft until the date in which the complete payment is made, and any other applicable charge.

You also agree to reimburse the Bank for any expense incurred in the collection of the overdraft including, but not limited to, legal fees and litigation expenses authorized by law.

4. The Bank may pay items drawn against the Account, even though the payment of particular items may cause insufficiency of funds to honor other items that may otherwise have been honored.

5. The Bank may set-off overdrafts in a joint and several (and/or) or joint (and) Account against funds deposited in any of your accounts, whether joint and several or joint.

6. The types of transactions that may generate overdraft fees are checks and withdrawals made at branches. Non recurrent withdrawals made at ATM machines (ATH) or other type of electronic transactions may cause overdraft charges if you authorize these services.

F. Stop Payments

1. The Bank shall accept Stop Payment Orders on checks and preauthorized debits (i.e. insurance policies and other payments) from any Account Holder. Stop Payment Orders shall be placed in the printed forms provided by the Bank for this purpose, or by telephone through TeleBanco Popular. A stop payment order may be subject to applicable charges as established by the Bank from time to time.

2. The Bank will confirm your telephone stop payment orders in writing on the following business day.

3. All Stop Payment Orders shall become effective on the business day following the day it was placed, in order for the Bank to have a reasonable opportunity to act upon the order. If the Stop Payment Order is placed on a non business day, it shall be deemed to have been placed on the business day following the actual date of placement of the order. In that event, the Stop Payment Order shall be effective on the second business day.

4. A Stop Payment Order will be invalid and inoperative if the item is paid or a debit is performed prior to the effective date of the order. Acceptance by the Bank of a Stop Payment Order does not constitute a representation that the item has not been paid.

5. The Bank shall not be liable for Stop Payment Orders placed after the checks have been paid, or for errors or omissions in the information provided by You about the item, which may prevent the Bank from enforcing the Stop Payment Order.

6. Upon placing a Stop Payment Order, You guarantee that You have not received any benefit, credit, merchandise or service in consideration for the check or pre-authorized debit which payment You seek to stop.

7. You agree that, in case any claim is made to the Bank for payment of a check or preauthorized debit while a Stop Payment Order was in effect, You will present to the Bank proof of any loss claimed, together with a sworn statement before a notary public confirming the guarantee required in the preceding paragraph 6.
I. Change of Address

You shall notify the Bank, in writing, in person by visiting any branch, through TeleBanco Popular or through any other means provided by the Bank from time to time, of any change of address at which your periodic statements are received. The change will be effective on the next business day after receipt of notice or as determined by the Bank from time to time.

You agree that the Bank may honor payment orders bearing the authorized facsimile signature, even when made by an unauthorized person or by means of a counterfeit facsimile signature machine.

4. You agree to release and indemnify the Bank from any and all liability resulting from the use of Facsimile Signatures, including lawyer’s fees and any litigation expense.

5. You agree to register your signature whenever it has deviated appreciably from that appearing in the Signatures Document. You agree to release the Bank from any and all liability for dishonoring an item for reason of the signature's dissimilarity with the specimen registered in the Signatures Document.

6. You recognize that the process of creating electronic images of checks or other original items required for the electronic exchange, may entail the disappearance of the security features the checks might have contained. The Bank will not be held responsible for the losses that may result when paying a substitute check that the Bank would not have paid had it received the original item with its corresponding security features.

Also, You authorize the Bank to disclose to third parties, upon request, any data pertaining to our credit experience with You, subject to the applicable laws and regulations governing this matter.

The Interest Charge is disclosed in the Special Provisions for Reserve Line of Credit (GEN-685A). 8. The Interest Charge will accrue and shall be collected from the date the Bank processes the advance until the date of its complete payment.

9. The Interest Charge and the corresponding Annual Percentage Rate may be changed periodically. 10. You can make payments to the Reserve Line of Credit at any moment at branches or using the services related to the card (TelePago Popular, Easy Payment or Pago Fácil, Internet Banking and Mobile Banking). The Bank will also make consecutive monthly debits to the Account for the amount described below if a balance is owed in the Reserve Line of Credit at the end of each billing cycle:
   a. 1/60 of the balance owed or a minimum payment of $20, plus the Interest Charge, in the following accounts: Acceso Popular, Maxi Premium, Popular Plus, MultiCuenta, Cuenta Popular, e-account and Private Management Account.
   b. 1/60 of the balance owed or a minimum payment of $10, plus the Interest Charge, in the Avance 50 accounts.

   When the principal balance plus the Interest Charge is less than applicable minimum payment, the amount will be payable in full. If at the end of the billing period there is no balance available to make the minimum monthly payment, You will incur a delay, so your credit history could be affected, and your Reserve Line of Credit will be canceled.

11. Payments made by You in the Reserve Line of Credit will be credited in the following order:
   a. To the Interest Charge applicable to the credit granted against the funds on the Guaranteed Reserve with Savings, if applicable, and then to the other Interest Charge.
   b. To the principal outstanding balance on the Guaranteed Reserve with Savings, if applicable, and then to the Reserve Line of Credit.

   The outstanding balance in your Reserve Line of Credit that could not be covered due to insufficient funds in your checking section of your Deposit Account will accrue until your account reflects a credit or deposit that covers the outstanding balance. The credit or deposit will be applied first to the interest owed and then, to the outstanding principal.

12. You may pay the principal, in whole or in part, at any time. In such case, You shall be liable for the payment of the Interest Charge owed until the date of payment.

13. The Bank may modify or cancel your Reserve Line of Credit at any time, and You will remain obligated to pay the outstanding debt at that moment, including all Interest Charges. In the event of cancellation, the Transactions Section will remain active without the right to make advances under this section. In the event of a modification to your Reserve Line of Credit, the Bank will allow advances from it up to the limit established by the Bank as notified.

14. If the Account has more than one Account Holder, be it an Individual Account or a Joint Account, all of the Account Holders will be considered joint debtors of the Bank and each Holder authorizes the Bank to offset any amount due in the Reserve Line of Credit and/or the Guaranteed Reserve with Savings against the funds in the Account or in any other account the holder may have.
B. GUARANTEED RESERVE

1. If your account has a checking and savings section (such as MultiCuenta Popular and Popular Plus) you have access to a reserve guaranteed by the funds in the savings section of your Account (the “Guaranteed Reserve”). The Guaranteed Reserve may be activated by using; checks, through withdrawals or purchases using your ATH card, by using TelePago Popular or EFT Payment transactions, up to the available balance in your savings section, if any.

2. The Guaranteed Reserve will be activated under the following terms:
   a. The credit will be granted if no balance is available in the following order:
      (1) in the Transactions Section
      (2) in the Reserve Section, if any
   b. The amount pledged in the savings section will be for the quantity needed to cover the transactions of your account. Any amount pledged will continue bearing the interest rate established by the Bank.
   c. You will not be allowed to withdraw or use the amount pledged in the savings section as collateral until You pay the Guaranteed Reserve.

3. The Guaranteed Reserve will be subject to an Interest Charge, from the date it is used to the date of the complete payment. The Interest Charge is disclosed in the Addendum to the Deposit Accounts Agreement (BRA- 535A). The monthly Interest Charge that the Bank will collect is computed based on the following:
   a. Average daily balance- the sum of the outstanding balances during each day of the cycle divided by the number of days in that cycle.
   b. Interest to be paid- the average daily balance multiplied by the Interest Rate of the savings section, divided by the number of days in a year (365). This result is multiplied by the number of days with balance owed in the Guaranteed Reserve.

4. The Interest Charge will accrue and shall be collected from the date the Bank processes the advance until the date of its complete payment.

5. The Interest Charge and the corresponding Annual Percentage Rate may be changed periodically. Any change in the Interest Charge and in the corresponding Annual Percentage Rate shall be applicable to the outstanding balances prior to the effective date of such changes as well as to new charges. The Bank shall notify You, in writing, the change and its effective date.

6. You can make payments to the Guaranteed Reserve at any moment. The Bank will also make consecutive monthly debits to the Account for the amount described below if a balance is owed at the end of each cycle:
   a. 1/60 of the balance owed or a minimum payment of $20, plus the Interest Charge, in the following accounts: Acceso Popular, Maxi Premium, Popular Plus, MultiCuenta, Cuenta Popular, E-Account and Private Management Account.
   b. 1/60 of the balance owed or a minimum payment of $10, plus the Interest Charge, in the Avance 50 accounts.

When the principal balance plus the Interest Charge is less than applicable minimum payment, the amount will be payable in full. If at the end of the billing period there is no balance available to make the minimum monthly payment, You will be in default, your credit history may be affected and your reserve line may be canceled.

7. Payments made by You to the Guaranteed Reserve will be credited in the following order:
   a. To the Interest Charge applicable to the credit granted against the funds on the Guaranteed Reserve, if applicable, and then to the other Interest Charge.
   b. To the principal outstanding balance on the Guaranteed Reserve and then, to the Reserve, if applicable.

The outstanding balance in your reserve line of credit that could not be covered due to insufficient funds in your checking section of your deposit account will accrue until your account reflects a credit or deposit that covers the outstanding balance. The credit or deposit will be applied first to the interest owed and then, to the outstanding principal.

8. You may pay the principal, in whole or in part, at any time. In such case, You shall be liable for the payment of the Interest Charge owed until the date of payment.

9. If the Account has more than one Account Holder, be it an Individual Account or a Joint Account, all of the Account Holders will be considered joint debtors of the Bank and each Holder authorizes the Bank to offset any amount due in the Guaranteed Reserve against the funds in the Account or in any other account the holder may have.

The notification of change to this Appendix does not obligate the Bank until a written notice of the change is received and the Bank has had a reasonable period of time to implement it.

   You have chosen a commercially reasonable procedure and that it adapts to your particular circumstances. You acknowledge that these procedures are designed to detect unauthorized bank payments and not to detect errors in the content of the instruction. In general, once the Bank has sent the funds, You cannot cancel or amend the payment order, unless the Beneficiary Bank accepts said request. The Bank and/or the Beneficiary Bank may charge a fee for the cancellation or amendment of the transfer. IX. DISCLOSURE RELATED TO THE AVAILABILITY OF FUNDS DEPOSITED IN INDIVIDUAL TRANSACTION ACCOUNTS (REGULATION CC)

Federal Regulation requires banks to make deposited funds available to You within certain periods of time. Depending on the type of deposit, the funds may be available to You the same day, the next business day, or after several days; in the majority of cases, the longest possible delay is until the seventh (7th) business day following the day of the deposit. During the delay period (if any), You may not withdraw the funds in cash and the Bank will not use the funds to process payment orders issued by You.

The Bank establishes the limits for the availability of funds deposited according with the minimum amounts required by the Regulation CC. The following explanations are intended to provide an easy guide for determining when various types of deposits (cash, electronic transfers, etc.) will be available to You for cash withdrawals and for the payment of checks against the Account. However, periodically the Bank will review several criteria, and may provide a higher availability of funds than the limit established by the Regulation. If you need further information regarding this matter please visit any of our branches or call us through TeleBanco Popular at 787-724-3659 (mobiles and Metropolitan Area) or toll free 1-888-724-3659 (outside Metropolitan Area) and one of our service representatives will assist you.

The availability Policy only applies to funds deposited for accounts of Banco Popular in Puerto Rico and the Virgin Islands. Please inquire for information about the availability of funds deposited at other locations.

3. Availability of Other Checks Deposited

   The availability of funds from other checks deposited will depend on Banco Popular’s policy.
   a. Deposits in Individual Transaction Accounts

      The first $200 of the aggregate sum of other checks deposited on any business day will be available in the following manner:

      (1) If the aggregate amount of the deposit with other checks is $200 or less, the entire amount will be available for cash withdrawal and payment of checks on the next business day.
      (2) If the total aggregate amount of the deposit with other checks is more than $200, the Bank will make $200 available for withdrawal on the next business day. C. Delay on the Availability of Funds for Longer Periods

   1. The Bank may delay the availability of funds from check deposits for a longer period of time under the following circumstances:
   a. If the Bank believes that a check You deposit will not be paid.
   b. If there is an emergency, such as failure of the Bank’s communication or computer equipment, or bad weather conditions (such as a hurricane or an earthquake).

   2. The Bank will notify You if your availability to withdraw funds will be delayed for any of the foregoing reasons, and You will also be informed as to when the funds will be available. The funds will be available not later than the seventh (7th) business day following the day of the deposit.

F. Availability of Checks Deposited using Easy Deposit ATM and Mobile Easy Deposit

This verification may result in a delay of the availability of the funds deposited according with the Bank’s policy. These funds will be credited to the checking or savings section selected by You at the moment of the transaction. The following deposits will not be processed: US Postal Money Orders or Money Orders not issued by Banco Popular, Official Checks issued by institutions outside of Puerto Rico, postdated checks, checks payable to the order of someone other than the account holder. G. Disclosure regarding to the Check Clearing for the 21st Century or Check 21 Act (“Check 21”)

In compliance with Check 21 and the relevant provisions of Regulation CC, which regulates check processing, the Bank provides the following disclosures about the terms and conditions applicable to substitute checks and the rights and responsibilities You have in relation to them:

Substitute Checks and Depositor’s Rights

1. What is a substitute check? To make check processing faster, federal law permits banks to replace original checks with “substitute checks.” These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: “This is a legal copy of your check. You can use it the same way You would use the original check.” You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that You receive back from the Bank may be substitute checks. If You are a consumer with a consumer account, as such terms are defined in Check 21, this notice describes rights that You have when You receive substitute checks from the Bank. The rights in this notice do not apply to original checks or to electronic debits to Your Account. Neither do they apply if You receive substitute check images from the Bank. However, You have rights under other provisions of this and/or other laws with respect to those transactions.

2. What are your rights regarding substitute checks? In certain cases, federal law provides a special procedure that allows You to request a refund for losses You suffer if a substitute check is posted to Your Account (for example, if You think that the Bank withdrew the wrong amount from your Account or that the Bank withdrew money from your Account more than once for the same check). The losses You may attempt to recover under this procedure may include the amount that was withdrawn from your Account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of Your loss or the amount of the substitute check, whichever is less. You are also entitled to interest on the amount of your refund if your Account is an interest-bearing Account. If your loss exceeds the amount of the substitute check, You may be able to recover additional amounts under other law.

If You use this procedure, You may receive the amount of the substitute check (up to a maximum of $2,500, plus interest if the Account earns interest) within ten (10) business days after the Bank received your claim and the remainder of the refund (if the amount of the substitute check exceeds $2,500, plus interest if the Account earns interest) not later than forty-five (45) calendar days after the Bank received your claim.

The Bank may reverse the refund (including any interest on the refund) if the Bank later is able to demonstrate that the substitute check was correctly posted to the Account.

The Bank could delay the availability of the funds credited to your Account on the tenth business day until the next business day after the Bank determined that the claim is valid or the forty-fifth (45th) calendar day from the date the Bank received the claim under the following circumstances:
• If You open a new account and You are a new customer.
• If You have repeatedly overdrawn the Account during the preceding six (6) months; or
• If the Bank has reasonable cause to believe that the claim is fraudulent.

The Bank will send You a written explanation within the next business day following the day the Bank concludes its investigation. You may ask the Bank for copies of the documents used in the investigation.

3. How do You make a claim for a refund? Regardless of whether You are a consumer as the term is defined in Check 21, if You believe You have suffered a loss relating to a substitute check received and posted to your Account, You should contact the Bank. You may call TeleBanco at 787-724-3659 (mobiles and Metropolitan Area) or toll free 1-888-724-3659 (outside Metropolitan Area) 24 hours a day, seven days a week. Telephone available for the hearing impaired (TDD): 787-753-9677 (Metropolitan Area) or toll free 1-800-981-9666 (outside Metropolitan Area). You may also write to the following address:

Banco Popular de Puerto Rico
Customer Resolution Center (685)
PO Box 362708
San Juan, PR 00936-2708

You must contact the Bank within forty (40) calendar days of the date that the Bank mailed (or delivered by an alternate method to which You agreed) the substitute check in question or the Account Statement showing that the substitute check was posted to your Account, whichever is later. The Bank will extend this time period if You are not able to make a timely claim because of extraordinary circumstances.

The claim must include:
• A description of why You have suffered a loss (for example, You think the amount withdrawn was incorrect);
• An estimate of the amount of your loss;
• An explanation of why the substitute check received is insufficient to confirm that You have suffered a loss; and
• A copy of the substitute check and/or the following information to help the Bank identify the substitute check: information such as the check number, the name of the person who wrote the check, and the amount of the check.
